

The 3rd international conference on particle physics and astrophysics

Monday 02 October 2017 - Thursday 05 October 2017

Hotel Intourist Kolomenskoye 4*

Scientific Programme

The ICPPA-2017 conference has the following format: plenary talks (25+5 min/30+5 min), section talks (10+5 min/15+5 min) and poster sections.

Nuclear physics

High energy physics

Heavy ion physics

Neutrino and astroparticle physics

Gravitation and cosmology

Facilities and advanced detector technologies
