

Performance of the Pair Spectrometer of the GlueX experiment

Tuesday, 6 October 2015 14:30 (30)

We describe the pair spectrometer of the GlueX detector at Jefferson Lab. Performance of the pair spectrometer during the first beam commissioning runs is presented.

Presentation type

Poster

Primary author(s) : TOLSTUKHIN, Ivan (NRNU MEPhI)

Co-author(s) : Dr. SOMOV, Alexander (Thomas Jefferson National Laboratory (Newport News, VA, USA)); Dr. SOMOV, Sergey (NRNU MEPhI)

Presenter(s) : TOLSTUKHIN, Ivan (NRNU MEPhI); Dr. SOMOV, Sergey (NRNU MEPhI)

Session Classification : Poster Session I

Track Classification : Methods of experimental physics
