

IV international conference on particle physics and astrophysics

Monday 22 October 2018 - Friday 26 October 2018

Hotel Intourist Kolomenskoye 4*

Scientific Programme

The ICPPA-2018 conference has the following format: plenary talks (25+5/30+10 min), long and short section talks (10+5/15+5/20+5 min) and poster sections.

Nuclear physics

Nuclear physics, nuclear exotics

Nuclear physics: heavy ion

Particle physics

High energy physics

Particle physics: neutrino physics

Particle physics: astroparticle physics

Particle physics: hep theory

Gravitation and cosmology

Cosmology, theoretical astrophysics.

Facilities and advanced detector technologies

Advanced particle detector technologies, upgrades and construction of the megascience facilities.
