Recent results on top-quark physics at CMS

Tuesday, 6 October 2020 11:00 (20)

The talk will present highlights on recent results by the CMS experiment on top-quark production cross sections and top-quark properties

Primary author(s) : TOSI, Silvano (Università and INFN Genova)

Presenter(s) : TOSI, Silvano (Università and INFN Genova)

Session Classification : High Energy Physics

Track Classification : High energy physics
