

SPD physics & detectors by MEPhI group

E.Soldatov, P. Teterin

National Research Nuclear University "MEPhI"

Intro & news

- Thank you all who has contributed to our reports on SPD collaboration meeting!
- Next SPD collaboration meeting will be Armenia in May.
- [SPD physics meetings](#) and [SPD first stage physics meetings](#) are on Tuesday at 15:00 – the former, 16:00 – the latter. We encourage you to participate.
- We have two different grants this year: GosZadanie and Priority2030. Expected GosZadanie results are defined. Report should be ready before 10th of December.
- We have new students, Andrei Durov is helping with them.
- New meeting time: 5:30pm Moscow time, Friday. Starting from next week.

Detectors part: news

- Optical cable to be done:

 - 8x prototype

 - 1x connector test (or 8x?)

Deadline: November

- 8ch SiPM PCB for FERS – Hamamatsu and SensL: need to determine a deadline

Deadline: November

- GZ report parts.

Deadline: 10th of December

- In January we will start mass-production of 8-tile sectors
