

# SPD physics & detectors by MEPhI group

E.Soldatov, P. Teterin

*National Research Nuclear University “MEPhI”*

# Intro & news

- SPD and related topics were included in applications of 2 GZ grants and MEPhI Priority program. Also they were added to the new program FPM.
- **RSF applications topics?** Small grants will be announced in mid-April, big grants in August-September. **We are ready to discuss!**
- First phase form was received just from Grigory. We are still collecting them! And we are ready to discuss.
- **During April collaboration plans to have a 1<sup>st</sup> phase physics 1-day workshop** with the presentation of all suggestions. With discussion of each.
- During April collaboration plans to organize **an SPDRoot tutorial** for students and other people who want to learn how to work inside this framework.

**Please express your interest to us!**
